

Welcome to the 2019 Tuition Assistance Auction!

I want to personally thank you for your participation and support to make this a very successful event. Every person involved, no matter what your role, is vital to the success of this event. The Tuition Assistance Auction could not be accomplished without your involvement and support.

NorthPointe Christian Schools continues to award approximately **\$500,000** each year in tuition assistance. One in four students that currently attend NPC receives assistance. This is made possible only through the generosity of God's people. You play a significant role in giving these families the opportunity to receive an excellent Christ-centered education.

*"The opportunity to attend NorthPointe has meant so much to our son and to our family. Without the tuition assistance, there was no way that we would have been able to afford for him to attend. The tuition assistance is nothing but the works of God."
– A family receiving assistance*

We have many new items added to the 2019 auction, and once again they are amazing! As we start our evening, remember II Corinthians 9:7, "Each of you should give what you've decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver." Have a great night tonight! Be cheerful in your giving! Bid high and bid often! Remember that every dollar you spend will go in its entirety to tuition assistance and will be used to fulfill our mission of *"Equipping students to impact their world for Jesus Christ."*

Many Blessings,

Bidding Procedures

SILENT AUCTION BIDDING

To bid on an item, clearly fill out a **bid card** with your bidder number, the item number, and the amount of your bid. Before bidding, check the bid board for the item's high bid and **raise that bid a minimum of \$5**. Then put your bid card in the basket provided. The table host will post the high bids on the board as quickly as they can. **If you really want the item, don't hesitate to go to the top dollar amount right away to save work for the table host.** *Remember, our goal is not to get deals; our goal is to raise money.*

All silent auction bidding will start at 6pm. The first bid board will close at 6:25pm, then each bid board will follow in numerical order, approximately every 5-10 minutes. The master of ceremony will announce upcoming bid board closings and give some time for final bids to be made. When the countdown is completed the table host will pull the basket and the bids will be closed. If there are two or more bids for the same amount, the bidders will be called to the table to continue bidding until there is a winner.

When a given sponsorship time frame is called out, please raise your bidder card. The auction volunteers will record your bidder number and your sponsorship will show up as a line item on your receipt at the end of the night. **You will also have the opportunity to add a sponsorship at the end of the evening during checkout.**

LIVE AUCTION

The Live Auction will begin at 8:00pm and will continue until all items are auctioned off. Please pay close attention to the current item up for bid by watching the overhead screen for the description of the item and its item number.

Our auctioneer from **Miedema Asset Management Group** will present an item up for bid and briefly describe it. He will then start the bidding with a dollar amount. To bid, simply raise your bid card until the auctioneer acknowledges your bid.
