

INTRODUCING HOME & SCHOOL HYBRID PROGRAM 7th & 8th GRADE

NorthPointe Christian Schools is pleased to announce that the Home/School Hybrid Program is looking to expand into the 7th & 8th grade for the 2019-20 school year! The Middle School Home & School Hybrid program will continue to build on the excellence of the current K-6 program. Your student/family will receive the appropriate academic challenge and built-in accountability with a co-teacher while offering structure, consistency and continuity in a Christ-centered community, all while maintaining family flexibility.

In cooperation with current NPC Home & School Hybrid families, the following enrollment conditions must be met for NorthPointe Christian to officially commit to launching the program.

*If student is unenrolled by the parent, the 50% deposit will not be refunded.

NOTE: We are excited for this program to succeed. To protect the viability of the 7th-8th grade Home & School Hybrid program, if a student or family were to move to full-time middle school enrollment, all monies paid toward the 7th-8th Home & School Hybrid program will not transfer with student to full-time middle school enrollment.

We look forward to partnering with you and trust God that He will lead families to this exciting venture.
