

THE PURPOSE OF A SPORTS CAMP

Camps are structured to teach the fundamentals of each sport and then provide game situations to apply the skills learned. Sports camps provide opportunities to learn in a fun and less competitive situation. These camps are an extension and outreach of NorthPointe Christian Schools.

It is the mission of NorthPointe Christian Schools to teach students to impact their world for Jesus Christ. It is the goal of our athletic program to further that mission by encouraging students to develop their athletic talents and glorify the Lord in all they do.
