

2 Day Home & School Hybrid Curriculum

Our Home & School Hybrid Program is a partnership between parents and NorthPointe's teaching staff. The curriculum of the core academic subjects is planned by professional teachers so you can focus on your children instead of lesson plans. Children attend school a full day of learning on Tuesday & Thursdays (8:00 am-3:00 pm). Parents are given assignments/curriculum to teach at home, but their schedule is their own.
